I don't get sick anymore

By Deborah Larson on October 21, 2016

I've had problems for YEARS getting sick with sinus and upper respiratory infections. It started with a cold and always built into something more. With the MANY benefits of cayenne, I'm feeling much better. My nose isn't constantly plugged anymore. I have limited post nasal drip, and I can sleep all night and breathe through my nose. This has definitely been a life saver for a long time

Cayenne capsules were recommended to me by a relative for sore joints (due ...By [Ann](#) on September 16, 2014

Package Quantity: 1

Cayenne capsules were recommended to me by a relative for sore joints (due to aging, not overdoing physical activity). I am a natural skeptic but I notice a difference when I remember to take it and when I don't. It took about 3 or 4 days to notice that my knee and hip joints felt better and it doesn't get rid of all pain, but at least I am able to fall asleep instead of tossing and turning trying to get comfortable. There must be some anti-inflammatory property in cayenne pepper. I began with 2 tablets a day, now take one every morning and have found that to be sufficient.

[Report abuse](#)**Use powdered cayenne only!**By [Enthusiast](#) on September 4, 2014

Package Quantity: 1

The prob is that it's a pill, which remains concentrated, ready to release its non-dissolved contents like a bomb in your digestive tract. If you add cayenne to food, it's WAY better and you can take a LOT more. Just now, with lunch, I had four quarter-teaspoon doses of this [Starwest Botanicals Organic Cayenne Pepper Powder 35K H.U., 1-pound Bag](#)

I simply put each quarter teaspoonful in my mouth, wash it down with water, and immediately continue eating, so that the cayenne cannot linger in my esophagus.

Labs results are back! I have being able to leave my prescribed nitro glycerine! My body is synthesizing its own nitrates and the vasodilation originated by this supplement is keeping me alive! I'm also taking natto kinase for blood thinning.

[Report abuse](#)**Helps with my pain**By [Deedee](#) on March 29, 2014Package Quantity: 1 **Verified Purchase**

I occasionally have pain in my knee and hip from running. It is good for my circulation and tones my heart. Caution take with food, I learned this after getting an incredible stomach ache. Most of the time I use it by opening the capsules and sprinkling on whatever I to eat it with, love to put in on sandwiches.
